## President's Welcome

On behalf of the Board of Directors and the boys and girls from North Winnipeg, I extend to you a very sincere welcome to our first annual Carnival. This club was organized January 18th, 1944, for the benefit of all boys and girls and the public in general, regardless of nationality, colour or creed. If anyone desires to join our club and cannot afford the membership, after investigation, if warranted they would be granted Free membership. The objects of the club are to provide figure skating and instruction at the lowest possible cost; to provide entertainment, physical exercise; to give poise, personality, citizenship, and to have each child become part of our great Democracy.

Furthermore, it provides facilities under supervised conditions.

These objects are being fulfilled and we believe our fee for membership to be about the lowest in Canada.

As about 80% of the skaters in the junior act are beginners, your enthusiasm for their efforts will be greatly appreciated.

At this time on the club's and your behalf I wish to thank the Winnipeg Winter Club, who are our guests this evening, for their performance, in the latter part of the show. We thank them also for the generous service of their professionals, for their donations, and for sponsoring our club as a member of the Canadian Figure Skating Association.

On behalf of the members I wish to thank Miss Sheila Smith, Mrs. Agnas Pohlman and Mrs. McCharles Jukes for their time and patience in making this Carnival a success.

With the support and co-operation of the parents and citizens, we will continue to follow our original objects.

BOB PAGE,  
President.

MISS VYONNE PAGE
